

**OFFER A 401(K)
WITHOUT
CARRYING THE
SPONSOR BURDEN**

Being the plan sponsor comes with real burdens – fiduciary risk, compliance oversight, and endless administrative tasks. But it doesn't have to.

The EveryoneSaves™ Pooled Employer Plan (PEP) lets you give employees the retirement benefits they want without carrying the sponsor load alone. You'll enjoy less liability, streamlined administration, and fiduciary support – while still providing a benefit that helps you attract and retain top talent.

**I'd be glad to show you how it works.
